

Biological Sciences Minor

2007 – 2008

Complete at least 3 units from each of the five numbered groups to total at least 18 units. Appropriate alternative courses may be used with approval of an adviser.

Cell and Molecular Biology: BIS 101, 102; MIC 102

Course _____ Units _____ Grade _____

Course _____ Units _____ Grade _____

Animal Biology: ANT 151, APC 100/NPB 123; ENT 100; EVE 105, 112+112L, 134; NEM 100, 110; NPB 100, 101, 102, 117; WFC 110, 111, 120

Course _____ Units _____ Grade _____

Course _____ Units _____ Grade _____

Microbiology: MIC 105, 162; PMI 128; PLB/PLP 148

Course _____ Units _____ Grade _____

Course _____ Units _____ Grade _____

Plant Biology: ENH/ERS/PLS 144; PLB 105, 111, 112, 116, 118, 126, PLS 141, 171; PLB/PLP 148

Course _____ Units _____ Grade _____

Course _____ Units _____ Grade _____

Evolution and Ecology: ANT 151, 152, 154; ENT 100; EVE 100, 101, 115, 138, 140, 147; EVE/PLB 108, 117, 119; PLB 102, PLS 142, 143, 146; PLP 150; WFC 151

Course _____ Units _____ Grade _____

Course _____ Units _____ Grade _____

Additional courses (if necessary) from above numbered groups to reach 18 units:
