

Petition to Declare a Minor

Dean's Office, 202 Life Sciences (530) 752-0410

- File this petition in the College of your declared major. Students in the College of Biological Sciences should file their petition in the Dean's Office, 202 Life Sciences.
- Faculty Advisers for both the major and minor must sign the form to verify courses listed.
- Any substitutions in course work from those listed on the Minor Petition must have a memo of approval from the minor adviser, sent to the appropriate Dean's Office.
- Be sure to list the department, course number, and course title.
 - *Example:* BIS 103 Bioenergetics/Metabolism
- List only upper division courses required for the major and all courses required for the minor.
- The minor must be outside the department or program of the major.
- Only one course may overlap between each major and minor.
- No course overlap is allowed between minors.
- A minor shall consist of 18 to 24 upper division units in courses specified by the department or committee.
- You must have an overall 2.000 GPA in the minor.
- All course work, including any minors, must be completed within 225 units.
- For more information, contact your Dean's Office at (530) 752-0410.
